

IS THIS THE RIGHT JOB FOR YOU?

Below are a few of the requirements that you are expected to meet if you decide to continue with the application process:

- **Honesty** - This should go without saying in any job, but we list it first because it is our number one requirement in dealing with adult and child guests, fellow employees and the company. This is our #1 priority as we conduct our reference checks. Honesty in our business means accurate cash handling, proper use of tools and inventory controls. This also means that your friends and family do not receive products or services free, just as you would not expect free groceries from a friend who works in a grocery store.
- **Drug and alcohol policy** – each of our employees have daily contact with our adult and child guests. For the safety of our guests, fellow employees and your safety, the company has a zero tolerance drug and alcohol policy in place which emphasizes our determination to maintain a work environment that is drug-free and free from the influence of alcohol. Therefore, the company has a zero tolerance policy which prohibits the use of, possession of, distribution of, purchase or sale of, offering to purchase or sell, transfer or trafficking in and working, or reporting for work, under the influence of intoxicants, drugs or controlled or illegal substances. As such, the company has a drug testing program.
- **Schedule** – We expect you to work the days you are scheduled and to be on time. Tardiness and absenteeism are not acceptable. You should expect that due to the nature of our business, you will be required to work evenings, weekends, summer months and holiday periods.
- **Appearance** – All employees are expected to wear the required uniform for the area assigned and comply with all appearance and grooming standards. No other dress is acceptable. Personal hygiene is very important because of the close contact with our guests.
- **Attitude** – All employees will rotate through all positions, therefore having you work directly with children and their parents. Making a good impression to our adult guests and having a playful attitude with the child guests is very important. A willingness to do whatever needs to be done (from cleaning the bathroom to leading “Happy Birthday”) is a requirement of employment.

Every FunSlides Park employee has daily contact with our guests. Excellent people skills and courtesy are required at all times. If you do not enjoy working with adults AND children, this is not the job for you.

These guidelines are not complete and will be reviewed in detail if you continue the application process. At the same time, realize that each of the above items are a condition of employment with Fun Slides Carpet Skatepark and Party Center. If you feel comfortable working under these guidelines, please continue with the employment application.
