# FUN SLIDES AND PARTY CENTER CARPET SKATEPARK

## THE SKATEPARK:

For years, kids all over the country have asked us to create a really cool space where they can use Fun Slides on ramps, jumps and grind rails. . . and this 33,000 sq. ft facility is it! The blacklight atmosphere makes it even more cool!

A safer yet thrilling alternative to skate boarding, inline and ice skating, carpet skating is fun for all ages. Unlike other sports that take lots of practice, carpet skating takes only minutes until you are confidently sliding around. All first time skaters are assigned a skate instructor until they are comfortable to skate on their own.

### IMPORTANT:

Everyone who skates at Fun Slides Park must have a Signed Waiver. No exceptions! You can complete a waiver by going to [www.funslidespark.com](http://www.funslidespark.com) or you can scan this QR code.

Anyone under 18 must have a parent or guardian sign the waiver. All adults staying for birthday parties that are not signing for a minor skater will need to complete a waiver also.

### MY CHECKLIST

- Completed Online Waiver
